

**¿QUÉ VAMOS A HACER?**

**Reading** (comprensión lectora). Lee el siguiente fragmento y localiza los verbos en pasado simple. Subráyalos y a continuación, escribe su forma en presente y tradúcelos (te pongo un ejemplo)

Sally left home when she was 18. She felt very happy. She had lots of friends.

She didn't want to go to university, so she went to work in a bookshop in London. One day, she met Bill. He was tall and handsome. Bill liked Sally. They had a nice time together. They kissed in front of her door.

Finally, they got married one year later and they had two children. They lived happily in London.
